# Leffler Family Farms, Local Motion CSA 2015 Community Supported Agriculture Contract

## Terms of Agreement

I commit to membership in the Local Motion Community Supported Agriculture (CSA) Program for the 2015 harvest season. As a member of the CSA, I will receive a weekly share of produce for **15 consecutive weeks** as a Full Share member or **8 non-consecutive weeks** as a Half Share member (beginning the week of June 14<sup>th</sup> 2015 thru the week of September 20<sup>th</sup> 2015). The shares will vary by size and weight depending on the time of the season. One important aspect of CSA is that **members support their farmer by sharing in the inherent risks of agriculture** (poor weather, drought, disease, early frost, crop failure and so on) **and rewards** (the weekly bounty from a good season). Local Motion CSA purposely plans for such contingencies, and uses growing techniques that protect the harvest, minimize risk to members and optimize the rewards: growing a wide variety of crops that thrive in different types of conditions, cover cropping, crop rotation, and irrigation. Moreover, the CSA builds relationships of trust between the farmer and community group. On a whole, members will receive a wide variety of vegetables in varying amounts. Therefore, I agree that while Local Motion CSA will act in good faith to provide fresh sustainable produce for the duration of the season, **there is no guarantee of quantities or contents of weekly shares**. In the unlikely event that severe weather, disease/insect damage, or other natural disasters result in a level of crop destruction that prevents the farm from continuing its weekly distribution, I will be notified immediately via e-mail, phone call or text message. There may be weeks of limited or no produce if one of these events does occur.

**Member responsibilities:** As a CSA member, I agree to pick up my share at my chosen pick-up site during the allotted pick-up window. If I will be away or otherwise unable to pick up my share, I will make arrangements for someone else to pick it up for me. I will also make sure my substitute fully understands the pickup protocol.

Any shares not claimed within the designated pickup times will be forfeited and dispersed out depending on the host's choosing. Member shares that are not picked up will not be refunded or made up. **You must contact your appropriate host if any changes need to be made to see if they can accommodate you.**

I agree to become an active participant in the CSA program, and to **contact my farmer** if I have any questions or concerns. I will always act in an appropriate manner when communicating with the farmers, farm staff and other members of the CSA community. The farm reserves the right to cancel the membership of any member whose conduct is deemed inappropriate by the farmers or our staff. There is zero tolerance for rude behavior. In such a case, the member will receive a pro-rated refund for the remaining weeks of the unclaimed produce minus a \$200.00 administrative processing fee.

Refunds & Cancellations: Requests for refunds by a member prior to the first day of the CSA harvest season (June 14, 2015) will be issued a full refund less a \$100.00 administrative processing fee. No refunds or cancellations will be processed after June 14, 2015.
